

Händlerreffen und Jubiläumsveranstaltung *Dealer meeting and anniversary event*

Review of the FLN anniversary meeting 2025 – Innovation meets tradition

On May 22, 2025, our business partners gathered in the idyllic harbor village of Rheinsberg to celebrate a very special event with us: 120 years of FLN. The anniversary meeting not only offered exciting insights into current developments, but also provided a festive setting for exchange, encounters, and outlooks.

Kick-off with an exclusive factory tour

On the day before the event, May 21, we opened the doors of our factory for an exclusive tour. Our guests were given a direct insight into our production processes, modern manufacturing technologies, and our quality management. The tour provided an excellent opportunity to get to know our company up close and discuss questions directly with our experts.

A day full of inspiration and encounters

On the day of the event, the program began with informative presentations and discussion rounds. Our teams of experts presented current developments in the areas of production, product development, and quality management. The direct exchange with our trading partners, a central element of our cooperation, was particularly valuable.

An evening to celebrate

The evening was festive: the gala evening in the harbor village of Rheinsberg began with a ceremonial welcome. Over a stylish dinner, accompanied by music, a great atmosphere, impressive acrobatics, and artistic performances, we celebrated our **120th company anniversary** together – a moment of pride and gratitude.

Thank you for participating!

A heartfelt thank you to everyone who helped make this day possible. Your enthusiasm, your ideas, and your loyalty make FLN what it is today. We are already looking forward to the next reunion!
